Travel For Credit

HONOR CODE

This will confirm the honor code developed for students and parents in completing the Educational Travel Services, Travel For Credit program.

For Students

I agree that I will do the work required without taking any answers outright from parents/guardians or teachers.

I will, however, be allowed to get advice and instruction from my parents/guardians and teachers.

If I have any questions I will contact Dennis at Educational Travel Services 800 752-1296 or 503 653-3988 or email at dennis@etsi.ws.

If one of my projects for extra credit (Not required) is a slide show or a power point using my pictures I take on the trip, once submitted, become the property of Educational Travel Services and may be used for marketing purposes and demonstrations.
